High entertainment value for adults: enjoyed by children from 10 yo

A great family game from 2-6 players

Souvenir for Tourists

Perfect for holiday destinations

An ideal gift for any occasion

- Squatter: a fun board game about **Australian sheep farming**, for 2 to 6 players.
- Highly entertaining game: suitable for adults and children from about 10.
- Squatter is a simulation game based on real life farming and is a mix of luck and strategy.
- Farmers face many disasters such as drought, bushfire and floods.
- Nevertheless, prudent farmers use good strategy to protect their farming business and take such precautions as providing adequate firefighting equipment and sufficient hay.
- Much more than fabulous fun, a game of Squatter is **highly educational** for all ages. Learn about **sheep farming**, **the wool industry**, **business management** and much more.
- Chat and laugh with your friends and family while you discover the challenge of battling the weather and fluctuating stock prices, pulpy kidney, liver fluke and red legged earth mite.
